Generation started at Friday, July 11, 2025 11:43:52 PM, taken: less than a second

[dbo].[Category]

Rows inserted: 10

Generation started at Friday, July 11, 2025 11:43:52 PM, taken: less than a second

[dbo].[Products]

Rows inserted: 835

Generation started at Friday, July 11, 2025 11:43:52 PM, taken: less than a second

[dbo].[InvoiceItems]

Generation stopped. The generator for column UnitPrice could not generate any more values.

Expected number of rows: 2,584

Actual rows inserted: 100

SQL Server did not insert some rows because they contained invalid data, such as duplicate values in a unique column.

Generation started at Friday, July 11, 2025 11:43:52 PM, taken: less than a second
